### Method

Place millet into two cups of boiling water and simmer for 15 minutes until water has absorbed and millet is cooked. Place millet into a bowl (draining any excess liquid first) and fluff using a fork. Set aside.

Remove corn kernels from the cob and place in a non-stick fry pan with one tablespoon of rice bran oil. Let corn grill until golden and remove from heat. Place on top of the millet.

Finely slice the red onion, dice the tomatoes and capsicums and slice the jalapeños. Throw into the bowl with the millet and corn.
